

GREETER

Positions Available: 3

Post: Entrance Room

The Greeter plays a pivotal role in enhancing the experience of our virtual reality social events. You will be the 1st friendly face that welcomes participants. You will work closely with the Event Host and Event Assistants to create a seamless and immersive experience for our attendees.

The position hours are flexible, typically tied to the scheduled virtual reality events. You will be working remotely from your own VR setup and internet connection. Training will be provided to ensure you are well-versed in the virtual environment and event details.

Requirements

- Age should be at least 18+
- The use of a VR headset is required.
- Must be reliable and punctual, able to commit to the event schedule.

Responsibilities

1. Welcome attendees as they arrive at the virtual reality event, creating a warm and inviting atmosphere.
2. Check all entering guests' avatar optimization.
3. Assist attendees in navigating into the virtual environment entrance, explaining controls.
4. Answer questions and provide information about the event schedule and activities.
5. Assist with troubleshooting and providing basic technical support to attendees, such as helping with avatar size, audio, visuals, or connectivity.
6. Monitor interactions to maintain a friendly and respectful environment and report inappropriate behavior to the event coordinators.
7. Collect feedback from attendees about their experiences and provide event coordinators with insights to improve our events continually.
