

Photographer and Videographer

Positions Available: 3

Post: Roaming all Rooms

The photographer will capture and document memorable moments. You play a vital role in capturing the essence and excitement of our virtual reality events.

Requirements

- Age should be at least 18+
- A VR headset is preferred, but it is not required.
- Should be well versed in taking photos and/or videos, for example framing good shots, knowing good contrast, using focus and aperture properly, etc.
- Must be reliable and punctual, able to commit to the event schedule.
- Should have a passion for virtual reality platforms and technology experience.
- Punctuality and a sense of responsibility to ensure the event runs smoothly is essential.

Key Responsibilities:

1. Capture candid and posed photographs of event attendees, highlighting the event's excitement, interaction, and enjoyment.
2. Navigate the virtual environment, seeking out the best angles and scenes for photographs.
3. Interact with event attendees, encouraging participation in photo opportunities and ensuring they feel comfortable and engaged.
4. Share event photos on social media platforms and encourage attendees to do the same, creating buzz and excitement around the event.
5. Collaborate with other FGP staff to coordinate photography opportunities, ensuring event coverage.
6. Create and present live slideshows of event photos within the virtual environment, enhancing the experience for participants.
7. Assist with setting up designated photography stations or areas to capture memorable moments.
