

SECURITY

Positions Available: 3

Post: Security Room

- You will be responsible for ensuring the safety and security of attendees in our virtual reality (VR) events. You will be working remotely from your own VR setup and internet connection. Age should be at least 18+
- The use of a VR headset is required.
- Must be reliable and punctual, able to commit to the event schedule.

Training will be provided to ensure you are well-versed in the virtual environment and event details.

Requirements

- Age should be at least 18+
- The use of a VR headset is preferred but not necessary.
- Must be reliable and punctual, able to commit to the event schedule.

Responsibilities

1. Monitor vr event spaces proactively to identify potential security threats or disruptions within the virtual environment. Report any suspicious or unauthorized activity to the Hostess.
2. Assist in crowd management to prevent overcrowding and ensure a smooth and enjoyable experience for attendees.
3. Be prepared to respond and address any emergencies, disturbances, or conflicts among attendees as necessary. That includes virtual reality-related technical issues or safety incidents.
4. Provide guidance to attendees in case of VR-related discomfort or disorientation.
5. Maintain effective communication with the Event Hostess and Event staff. Use *virtual communication* channels to coordinate security efforts.
6. Report any technical issues or equipment malfunctions promptly. Document and report all security incidents and concerns.
